Epsom Community Garden

The community garden has continued to flourish over the winter. The brassicas and other greens are healthy and vigorous. Surprisingly the carrots, beetroot and parsnip seeds we planted in the early winter are now up and growing well. We have a loyal and hardworking group of volunteers bringing along seaweed, manure, mulch and worm food as well as attending regularly **each Tuesday @ 11:00 a.m.** The rewards are fresh vegetables to take home.

If you would like to share in this harvest by coming along to help with growing it – please feel free to see Nita at the office or phone Jenny on 6387403.

Quilters Ave

We are a very happy and helpful group and would love to see more ladies joining our group. We meet **every 1st and 3rd Tuesday of the month** starting at **7 pm to 10.00 pm.**

From 7pm to 7.30pm you can bring along a quilt you would like to pin together and the ladies will help you with it, we also have some very experienced ladies who are very helpful to anyone who would like lots of help.

Anyone who would like to join our group can reach Jean Abraham on:
